

## **Fashion / Modelling Photography Portfolio Packages (April 2014)**

For models seeking an affordable variety of high quality images for their portfolio.

Every shoot is different as every model has a unique look. I will customise the shoot for your requirements. The following should be considered as a guide with details discussed before the shoot.

**Location:** I can travel to outdoor location(s) of your choice or home visit with portable studio lighting kit. Commercial studios may be hired at extra cost if required.

**Make-up:** Provided by client. If makeup artist is used please allow extra time.

### **The Cameo Photoshoot - £50**

Local home or location shoot: duration 40 minutes

As many images as time permits

Selected and edited 10 images on CD. You may make your own prints from this or have high quality prints made for you at extra cost.

Included in price will be 2 x (7x5) prints chosen from disc.

### **The VIP Model Photoshoot - £75**

**Shoot duration:** Usually 60 – 90 minutes

You will receive: a CD of 20 – 30 edited high resolution images retouched where required. You may make your own prints from this or have high quality prints made for you at extra cost. Included in price will be 2 x A4 size prints chosen from disc.

Sample low resolution images suitable for online portfolios can be emailed within 72 hours.

### **The Elite Model Photoshoot – from £120**

**Shoot duration:** Usually 2-3 hours but can be tailored longer or shorter to suit the variety of looks and outfits required.

You will receive: a CD of 30 – 40 edited high resolution images retouched where required. You may make your own prints from this or have high quality prints made for you at extra cost. Included in price will be 2 x A4 size prints chosen from disc.

Sample low resolution images suitable for online portfolios can be emailed within 72 hours.

*Please note: Travel costs may be extra if distance outwith 20 miles radius of Arbroath.*
